Sir:

The *Interview Summary*, from Bernard Rojas of Art Unit 2832, dated 10 August 2007, has been received and reviewed. In response thereto, Applicant respectfully submits this *Interview Summary*.

REMARKS

On 10 August 2007, Examiner filed an *Interview Summary* providing a summary of the substance of the interview of 1 August 2007, and requesting that Applicant also provide an interview summary within one month of the mailing date of this interview summary. Applicant and Applicant's counsel thank the Examiner with appreciation for the interview and provide the interview summary below.

1. MPEP § 713.04 Interview Summary

Applicant thanks the Examiner with appreciation for the 1 August 2007 telephone interview. Examiner Bernard Rojas and the undersigned participated in the interview. Claim rejections were discussed during the interview. Applicant discussed several possible amendments to the independent claims, including that the actuator of the present invention is located in a fluid flow path and that the microvalve of the present invention is CMOS compatible. The Examiner gave comments regarding his view of such possible amendments in light of the prior art cited in the claim rejections. If for any reason the Examiner does not consider the foregoing record complete and accurate, the Examiner is respectfully requested to contact the undersigned.

2. Fees

No fees are believed due. Nonetheless, should any fees be due, authorization to charge deposit account No. 20-1507 is hereby given.

CONCLUSION

Should the Examiner have any further questions or reservations, the Examiner is invited to telephone the undersigned Attorney at 404.885.3695.

Respectfully submitted,

Certificate of Transmission:

I hereby certify that this correspondence is being submitted by e-filing to the Patent and Trademark Office in accordance with §1.8 on this date via the EFS-Web electronic filing system.
